Education

B.Tech in Computer Science	Oct 2022 – Jun 2026
Noida International University	

Skills

Technical: HTML, CSS, JavaScript, C, C++

Soft Skills: Communication, Leadership, Analytical Thinking, Problem Solving, Time Management

Experience

Front-End Developer (Freelance)	April 2024 - June 2024
Noida, Uttar Pradesh	

- Developed responsive web apps including a portfolio site and a task management tool with clean UI.
- Integrated front-end with APIs, ensuring smooth user experience and responsive design.

Projects

Portfolio Website		Dec 2023
--------------------------	---	----------

- Built a responsive portfolio using React.js and CSS to showcase technical skills and project demos.
- Focused on performance optimization and smooth page transitions for better UX.

Task Management App		Jun 2024 – Nov 2024
----------------------------	---	---------------------

- Designed the front-end interface for managing tasks with interactive lists and drag-and-drop features.
- Ensured real-time updates and smooth transitions using JavaScript and CSS animations.

Data Visualization Dashboard		Jan 2024 – Mar 2024
-------------------------------------	---	---------------------

- Created an interactive dashboard for Tata Group job simulation featuring dynamic charts and graphs.
- Employed charting libraries and clean layout design for clear data presentation.

Medical Q/A Project (Front-End)		Apr 2025
--	--	----------

- Built the front-end interface in a spider man layout for easy navigation of medical QA sections.
- Used responsive design principles to ensure accessibility across all devices.

Achievements

- Completed LinkedIn Learning paths in GitHub, Generative AI, and Software Development.
- Earned Google Analytics Individual Qualification (Dec 2024).

Responsibilities

Member, Google Developers Code=NIU Dec 2022 – Present

- Participate in organizing tech talks, mentorship sessions, and coding workshops.
- Contribute to community-driven hackathons and development events.
